

## Alma US Convertible Fund

A sub-fund of Alma Capital Investment Funds SICAV

As of 31 January 2020

### Fund description

- Investment objective: non-benchmark oriented approach that seeks to maximize risk-adjusted returns by investing mainly in below investment grade, USD denominated convertible securities of US-based issuers
- Investment process: intensive fundamental credit and equity analysis to identify creditworthy companies with potential equity upside
- The fund benefits from the investment manager's strong credit expertise in the US high yield market
- Disciplined and defensive entry/exit strategy, which aims to purchase convertibles with a low premium above the bond valuation and sell securities with excessive equity sensitivity

### Investment manager: Shenkman Capital Management, Inc.

- Shenkman Capital Management is an SEC-regulated investment adviser, founded in 1985 by Mark Shenkman. Offices in New York City, Stamford and London.
- Pioneer in the high yield bond, convertible bond and loan markets
- Shenkman Capital has a predominantly institutional client base and manages US\$ 28 billion

This document is issued by Alma Capital Investment Management ("ACIM"). It contains opinions and statistical data that ACIM considers lawful and correct on the day of their publication according to the economic and financial environment at the time. This document does not constitute investment advice or form part of an offer or invitation to subscribe for or to purchase any financial instrument(s) nor shall it or any part of it form the basis of any contract or commitment whatsoever. ACIM provides this document without knowledge of investors' situation. Prior to any subscription, investors should verify in which countries the fund(s) this document refers to is registered, and, in those countries, which compartments and which classes of shares are authorized for public sale. In particular the fund cannot be offered or sold publicly in the United States. Investors considering subscribing for shares should read carefully the most recent Prospectus and KIID agreed by the regulatory authority, available from ACIM (5 rue Aldringen, L-1118 Luxembourg, Grand Duchy of Luxembourg). The investors should consult the fund's most recent financial reports, which are available from ACIM. Investors should consult their own legal and tax advisors prior to investing in the fund. Given the economic and market risks, there can be no assurance that the fund will achieve its investment objectives. The value of the shares can decrease as well as increase. Past performance is not a guarantee of future results.
