

## Key Investor Information

**This document provides you with key investor information about this fund. It is not marketing material. The information is required by law to help you understand the nature and the risks of investing in this fund. You are advised to read it so you can make an informed decision about whether to invest.**

<b>Alma Eikoh Japan Large Cap Equity Fund Class I EUR (Hedged) - C, a share class of Alma Eikoh Japan Large Cap Equity Fund, a sub-fund of Alma Capital Investment Funds (ISIN: LU1013116782)</b> This Fund is managed by Alma Capital Investment Management								
<b>Objectives and Investment Policy</b>								
The objective of the Fund is to seek long-term capital appreciation by investing primarily in shares of large capitalisation companies operating in Japan. The Main Topix Index represents the reference indicator of the Fund. The Fund does not aim to replicate the reference indicator and may therefore significantly deviate from it. <b>ERIM LLP</b> manages the portfolio of this Fund.	The Fund uses financial instruments to reduce the impact of changes in currency exchange rates. All income of the Fund is reinvested. Institutional investors can buy and sell shares of the Fund on a daily basis. The first investment must amount to at least 250,000.00 euros.							
<b>Risk and Reward Profile</b>								
← Lower risk Typically lower rewards

The above indicator (Synthetic Risk and Reward Indicator) reflects the historical level of risk and reward of this share class over the last 5 years. As it is based on its historical behaviour, <b>it does not necessarily reflect future risk, nor reward</b> . This share class is classified as above since it has experienced <b>strong movements in its value</b> . This classification is solely valid as of the date of this document; it can change in the future. Investors investing in a fund in the category “1” above may sustain a loss. A fund in this category is not risk free at all times. <b>The Fund does not provide investors with any guarantee</b> of performance nor of the value of investments in it. The latter may consequently go up, as well as down. The indicator captures the impacts on the Fund of movements in financial markets and currencies, <b>under normal market conditions</b> .	<b>Risks materially relevant to the Fund which are not captured by the indicator:</b> The following other risks can be significant to the Fund: Liquidity risk: in case of low trading volume on financial markets, any buy or sell trade on these markets may lead to important market variations/fluctuations that may impact portfolio valuation. Counterparty risk: represents the risk of default of a market participant to fulfil its contractual obligations vis-à-vis the portfolio. Selection risk: the Investment Manager’s judgment about the attractiveness, value and potential appreciation of a particular company’s security could be incorrect. More details on the risks investors may be exposed to when investing in this Fund are described in the “Risk Factors” section and the relevant Special Section of the Prospectus.							

## Charges for this Fund

One-off charges taken before or after you invest:	
<b>Entry charge</b>	2%
<b>Exit charge</b>	0.5%
<i>This is the maximum that might be taken out of your money before it is invested and before the proceeds of your investment are paid out</i>	
Charges taken from the Fund over a year	
<b>Ongoing charge</b>	1.05%
Charges taken from the Fund under specific conditions	
<b>Performance fees</b>	Not applicable

The charges paid are used to finance the costs of running the Fund, including the costs of distribution. These charges reduce the potential growth of investments.

The **entry** and **exit charges** shown are maximum figures. In some cases investors may pay less—more details can be obtained from investment advisers or distributors.

The **ongoing charges** figure is based on expenses for the twelve month period ending 31 December 2017. This figure may vary from year to year. It excludes portfolio trade-related costs, except costs paid to the custodian and any entry/exit charge paid to an underlying collective investment scheme (if any).

A charge of up to 1% may be levied if shares in this share class are converted into shares of other Funds or classes, as further described in the prospectus.

For more information about charges, please refer to the “Fees, Compensation and Expenses” section of the Fund’s Prospectus, which is available at [www.fundsquare.net](http://www.fundsquare.net)

## Past Performance

Past performance provides no indication of future returns.

All fees and expenses, as included in the price of the Fund, are reflected in the performance shown left, which is calculated in euros. This performance does not take into account the above mentioned maximum entry and exit charges.

The Fund was launched on 12 June 2014 and this share class was launched on 10 December 2014.
